Highest Quality Standard and Made to Order Solid Carbide Tools

When ordering please reference the product number on each item.

Quality performance cutting tools for Mechanical, Automotive and Aerospace and Defence industry.

The knowledge of our engineers as well as newest technologies available is what makes our tools the best available. Ikar manufactures cutting tools with high performance for precision machining industry and CNC milling operations. Specialised in made to order tools.

Our products:

- DRILLS (pg. 3-7)
- END MILLS (pg. 8- 21)
- MADE TO ORDER TOOLS

When ordering please reference the product number on each item.

PC243

Premium Class Drills - Sub-Micrograin Carbide

PC243 With TiAlN COATING

2 Flute - 3 x D Drilling Capability - 25° - 30° Helix
